### **ORION MOBILITY FORMS ALLIANCES WITH REGIONAL RELOCATION GROUPS ACROSS THE USA**

David S. Oltman, Co-Founder and President of Orion Mobility, announced that the company has joined forces with a number of regional relocation management groups to help their members maintain compliance with relocation tax laws and their companies' relocation policies.

To date, Orion has developed alliances with: The Tri-State Relocation Group, New England Relocation Association, Delaware Valley Relocation Council, New Jersey Relocation Council and the Greater Washington Employee Relocation Council.

These organizations of relocation professionals from both the corporate and service industries meet frequently to network, exchange best practices and attend presentations from industry experts and leaders.

"The regional groups provide a very valuable set of resources for their local members and we applaud those that work hard to make this a reality," says Oltman. "So it's only natural that we would do all we could to help."

Orion provides educational sessions, led by Oltman and other company executives; relocation tax books; and business presentations to these groups, in addition to financial contributions. Orion is actively seeking alliances with other regional relocation, payroll and government services associations. Interested parties should contact John L.
